The Home Of the Mighty Mikes

What comes to mind when you think of high school? Laughing, cheering, and sharing secrets; or cramming, hard times, and homework? Most of our experiences have plenty of both. School is not only a learning place, but also plays a part in determining who we are and will be.

Beginning high school can bring a drastic life change- new expectations, new goals, new challenges, and new people. Seventh grader Stacey Antonini explains, "The classes here change and are harder. There are also more people. I like it better, though, because we have more freedom than we did in elementary school."

Graduating brings our experiences back to these same feelings. "Going to college will be once in this life we then will be considered an individual.Encouragement (for this transition) comes from Mr. John Krajnak, our guidance counselor"stated senior Shannon McCoy.

Whether joining in or preparing to move on, we realize that with the help of teachers and friends, we've made it to a new place and whatever paths we take we are united in our time here. As they say... Once A Mike Always A Mike!

School Spirit

Spirit Week was held on the week of October 2-6. Teachers and students were both invited to join in on the festivities. Spirit Week is held every year to celebrate Homecoming and to show support of our school. The events were Pajama Day, Twin Day, Retro Day, Camo Day, and Blue & Gold Day. and ended with an outside Pep Rally.

The ♥ 's of Carmichaels' School Spirit

The Spirit Queen has become a permanent element in Carmichaels' school spirit. Stacy Bargerstock, the 2000-2001 Spirit Queen has had a large part in pep rallies, leading the contest for Spirit Stick and participating in cheers with the cheerleaders at the pep rallies and football games. Stacy Bargerstock and Stacy Zuspan, the newly anointed Spirit Queen have also did weekly spots for the Carmichaels Area News Network's morning broadcasts during football season called *Spirit Divas*, in which they did cheers and humorous skits.

Stacy Zuspan was chosen officially to take over Stacy B.'s position as Spirit Queen at the last pep rally of the football season. Looking back at her Spirit Queen experience, Stacy B. says, "It was a positive experience and it helped me learn not to take myself so seriously and it made me able to laugh at myself."

This year's Drama Club presentation was "***Annie Get Your Gun***" starring Stacy Bargerstock as Annie Oakely and Mike Zavage as Frank Butler.

The play was a sucess, following last year's "***Babes in Arms***". This play also had the Dinner Theatre where cast members served dinner to the guests in their respective character amidst a decorated 'old western" style cafeteria.

The play itself was a breakthrough hit with excellent casting, wonderful singing and everything people go to the movies for. To paraphrase "I laughed, I cried, I felt as though I was actually there."
Great job Drama Club, we're all looking forward to next year.

Graduation 2001

On June 1st, 83 of Carmichaels finest took their last steps in the halls of Carmichaels High School. "Tonight is a night of mixed emotions, the joy of celebration and the sadness of farewell," said Mike Smell in his valedictory address. While the evening was stricken with torrential rains, nothing could upset the joy the seniors felt, being together as a whole for one last time. Mr. George Prodan, Class of 1970 alumnus, instilled great words of wisdom to the Class of 2001, giving 12 keys to success. The program also included a welcome from Principal Shlosky, the national anthem performed by senior Stacy Bargerstock, and a message from Superintendent Zalar.

Valedictorian & Class President

Matthew Antonelli spoke to the Class of 2001 about taking every opportunity towards success when possible. He also used his speech to remember great memories he has encountered over his years at Carmichaels High School.

Valedictorian

Tony Johnson used a quote from Dr. Seuss telling us that is now our time to shine upon the world. He reminded his classmates of both the difficult and enjoyable times they had been through on their journey here.

Valedictorian

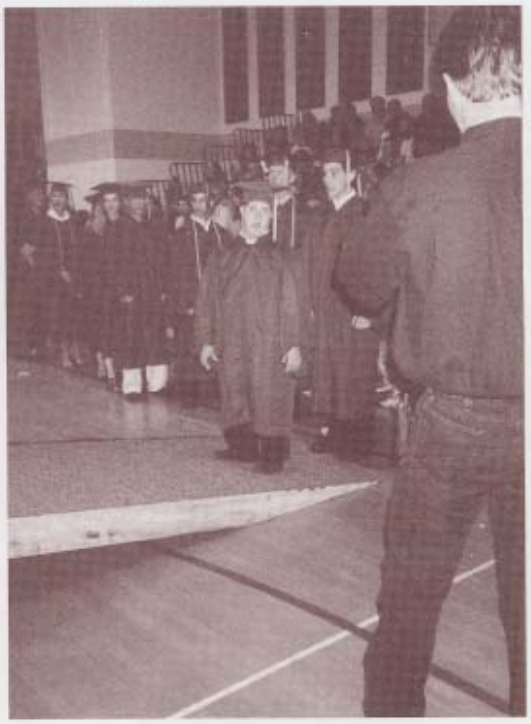
Michael Smell spoke to his classmates about how no one but yourself will decide how successful you will be in the future. His message was with hard work and constant dedication anything is possible, regardless of what anyone tells you.

Salutatorian

Michael Zavage entertained his fellow classmates with a speech comparing baseball to everyday life and how success is measured not by how many times you fail, but how many times you are successful.

The senior high chorus dedicated a song as a tribute to the seniors. At left, accompianist Dana Bradmon prepares for the performance.

The processional included eighty-three seniors. Below, Tony Hill prepares to cross the stage and receive his diploma.



The 'Star-Spangled Banner' was performed by senior Stacy Bargerstock. At left, Stacy speaks with chorus director, Ms. Joanna Walker, before commencement begins.

The Sunday before graduation, Pia Bandish, Matthew Antonelli, Jimmy Riggi, Michael Smell, TJ Johnson and Michael Zavage are photographed in the basement of St. Hugh Roman Catholic Church.

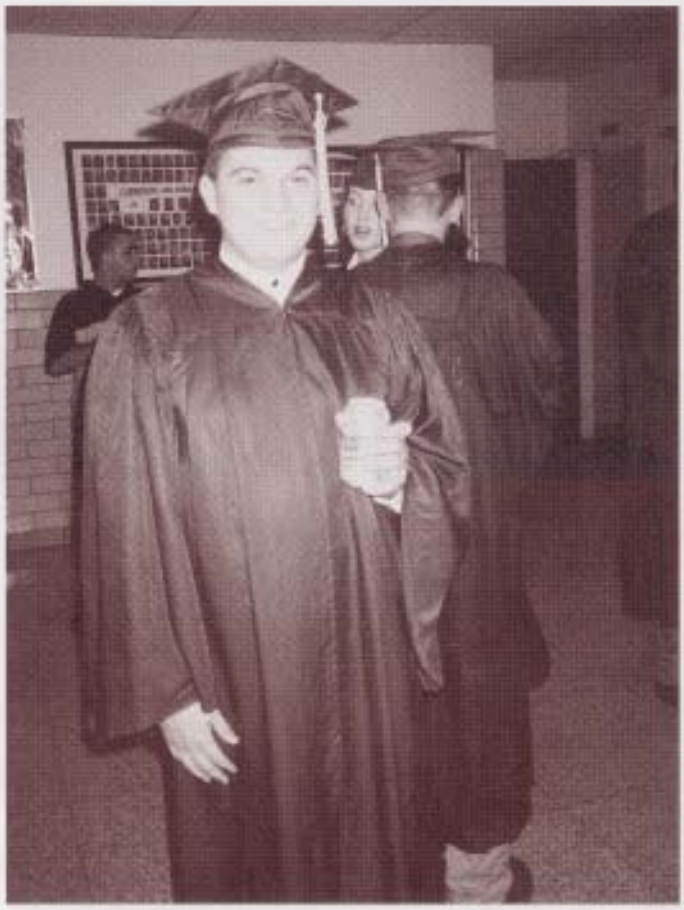
Family and friends brought flowers, balloons and gifts to celebrate their graduate's accomplishments. Below, Alan Kellar poses with a younger family member.

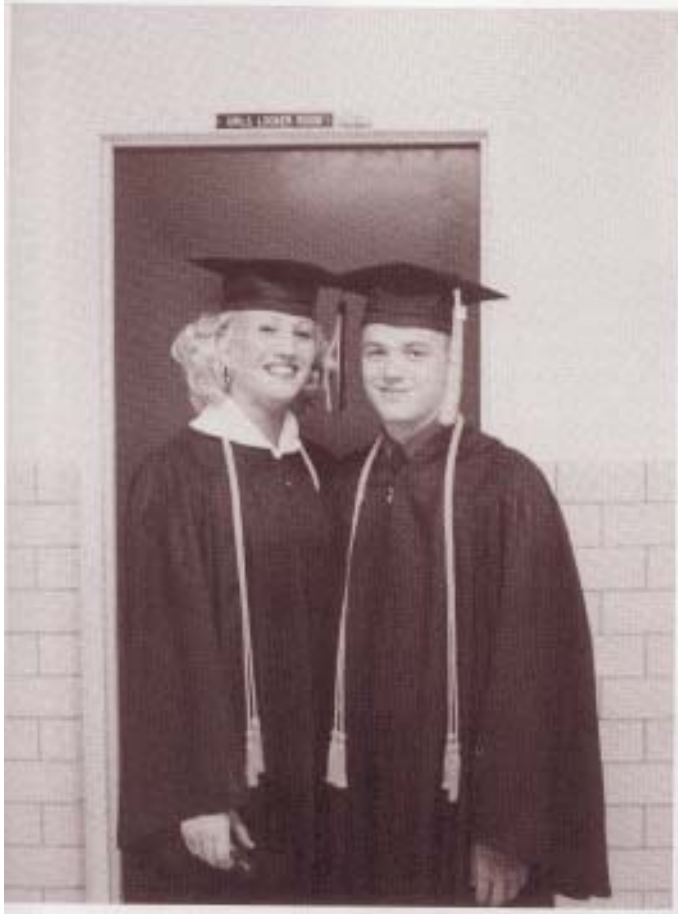
Diplomas were presented by Board of Education Vice-President, Mr. Ron Ferek. At left, Abby McMinn pauses before crossing the stage to receive her diploma.

After the ceremonies, seniors joined family and friends outside the gymnasium. Below, Miranda Knestrick and Roy Riggleman discuss their plans for the remainder of the evening.

Seniors were ecstatic when they finally had that diploma in hand. Above, TJ Dulaney and Sheena Davisson watch the remainder of their classmates receive their diplomas.

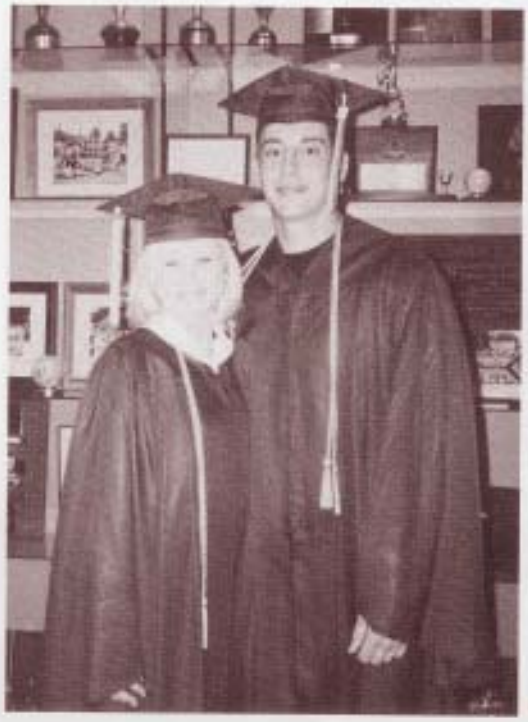
Waiting for commencement to begin can be a nervous time. Dave Baney relaxes with a Mello Yello as his class begins to line up for the processional.

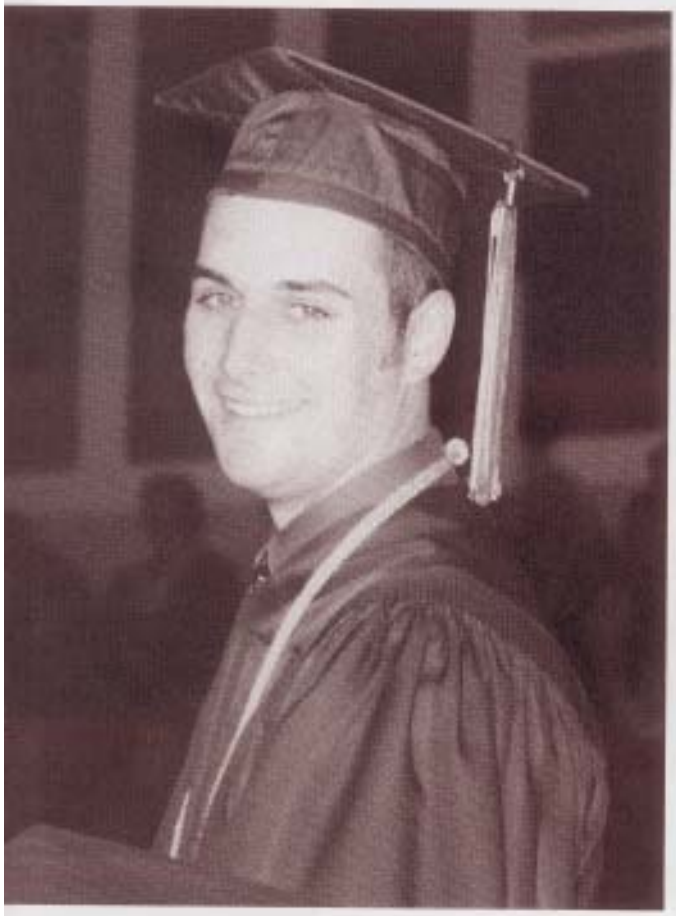




Seniors arrived early for snapshots with their fellow graduates. At left, Abby McMinn and TJ Dulaney pose in front of the locker room.

Below, Katie Semenoff and Justin Simkovic smile next to the trophy case.





To the tune of 'Pomp and Circumstance', seniors entered the gymnasium two by two. Jimmy Wolfe smiles as he takes his seat for the ceremony.

The senior high chorus sang the Alma Mater as a finale to commencement exercises. Ashley Kurtyka, Heather Glover and Christina Kittredge prepare for their performance.

Senior class president, Matt Antonelli, could be seen throughout the school year shooting footage for the senior video. At left, it is evident that graduation is no exception.

As the 2000-01 varsity basketball season started, the Mikes found themselves in a new section and playing new teams. The Mikes, a team who fell short of the playoffs the previous year, only had a few members of the team returning this year. They still managed to have a successful season and a playoff birth for the first time in five years. The Mikes will be losing three senior players, Damian Ferek, T.J. Johnson, and Jacob Miller. The rest of the Mikes will be returning next year to form the nucleus of the team and carry on the winning tradition.

Mikes Baseball

At Its Best!

The Mikes finished the regular season with an undefeated record of 15-0. Senior, Andy Greene led the Mikes team with 16 hits, 19 RBI's, 3 homeruns, and a batting average of .364. They were surprised to see the beginning of the season go as well as it did, not expecting to be as dominating. Having lost a senior this year the Mikes expected a competitive season. The seniors showed good leadership and helped educate the younger members of the team. Two freshmen, Shayne Busti and Jaime Kowalczyk, also stepped up to fill in two starting positions on the team. The defense of the Mikes improved greatly, and led to the success of the team. Coach Bates says "Defense wins Championships." Once the season started to come to a close the Mikes realized that they had a championship team. The chemistry between the players was another factor that lead to victory for the Mikes. Hard work, dedication, and heart were the three main ingredients of the Mikes baseball team this year. Although they lost in the playoffs, the hard work that was demonstrated by the Mikes this season was much more to be proud of than winning.

Senior Trip

This year's senior class took their senior trip to New York.They left April 19th and returned on the 21st. The class went and saw many things in their short stay in the city. They went to the Today Show, Empire State Building, The Statue of Liberty, and went and watched the Blue Man Groups. As a whole the class enjoyed their final trip as high school students together.

A Tribute to Mr. Stan Ferek III

An avid family man, Mr. Ferek enjoyed the outdoors, traveling, and spending time with his family. He was renowned for his musical talent and he instilled that love of music to others as he taught piano to many area students.

Mr. Ferek also possessed a zest for life that was contagious to all who knew him. He lived life to the fullest and will be remembered for his vitality, warmth, and sincere nature. Mr. Ferek will long be remembered for his contribution to our school district and community.

Mr. Carmichaels Area, Mr. Stan Ferek, loved Carmichaels Area School District. Throughout Mr. Ferek's thirty years here at Carmichaels he served as a teacher, principal of the former Nemacolin Elementary School, Assistant Football Coach, Director of Education and Principal of Carmichaels Junior Senior High School. During his time in Carmichaels High School, Mr. Ferek worked diligently to ensure students the best education possible. This undying dedication to the betterment of students' education is seen in the implimenting of many new classes. An EMT training course, numerous computer and college credit classes are just to name a few. A television studio and resource room , also works of Mr. Ferek, give our students the opportunity to explore new technologies. Mr. Ferek's love of athletics and fine arts were also evident in his time here. Mr. Ferek never missed a sporting event; he was always there to show his support for his players and coaches and always wearing his Carmichaels Mikes t-shirt. The Drama Club and Chorus were also favorites of Mr. Ferek's. The reinstitution of the Drama Club has entertained the community with a number of great performances and the Senior High Chorus look and sound better than ever in their new robes Mr. Ferek secured for them. And who can forget the award winning Sr. High Band? Mr. Ferek's love of music showed through his interest in the band. He knew all the band members by name and was often seen discussing new ideas for the band with Mr. Craig.

Mr. Ferek had a great love for Carmichaels High School and especially those in it. Mr. Ferek will always be loved and greatly missed by all who knew him.

Jim Glover, class of 1943, organized the first high school band for what was then Cumberland Township High School, and Ben Glover later performed with the band as a member of the class of 1953.

Former athletes, Steve Korcheck, '50, Larry Krutko, '54 and Joe Taffoni, '62, were honored for their athletic achievements at the high school,college and professional level.

Their jersey numbers were retired at halftime.

The pre-game buffet and social was held at the fire hall and post-game receptions were held at both the fire hall and VFW in Carmichaels.
